

Thanksgiving Worship Service & Feast

Sunday November 20, 2022

Worship Service: 10:45am; Thanksgiving Feast: 12pm

Our annual church family Thanksgiving Worship Service and Feast will be held Sunday, November 20th at 10:45 AM. This worship service is a wonderful time to express our gratefulness to God. Having an “attitude of gratitude” makes such a difference in our approach to life. Please join us for this special service and the Thanksgiving Feast that follows. With thoughts of Thanksgiving traditions, this will be a participatory feast. The church will provide roasted turkey, mashed potatoes, stuffing, gravy, cranberry sauce and beverages. Those who are able are asked to bring their favorite salad, side dish or dessert to serve 12. If you would rather let others cook, please come anyway! In lieu of a specialty dish, a suggested donation of \$5 will help cover the cost of the meal. (If you can’t afford to donate, join us anyway.) Most importantly, come with grateful hearts and enjoy warm fellowship with your church family. Remember to invite a friend to come as your guest. It is Thanksgiving and God is good! I look forward to greeting you at the church door.

Gratefully, Pastor Jim

THE MINISTRY OF LOVE AND HOPE

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

VILLAGE EVANGELISM

Christ to the Villages Mission ministers to hundreds of persons in the remote villages of central Nigeria. At the heart of Christ to the Villages Mission is the Great commission as proclaimed by our Lord Jesus Christ in Matthew 28:18-20. Christ to the Villages has been able to bring light, hope, courage, and joy to many people through the Mission schools that we run and also through our ministries in the Villages. All this was made possible through you, our friends and supporters. We will continue to reach out with the love of God as we are able to.

CHRISTIAN SCHOOLS

Our schools are doing well, and we continue to provide good education for elementary and high school students under our care. The word of God is daily taught in our schools, and we encourage character building. Efforts are being made to correct wrong conducts as we continue to work on improving our academic standards and our community, by having seminars for our staff (both teaching and non-teaching staff). The relevance of our work cannot be over emphasized. The needs are great and unending, which can sometimes be overwhelming. Often, we are faced with complex

(Missions Corner

encouragement, financial support and prayers. God bless you all.

A Timely help: I went for medical treatment and met a woman crying for help for her grandson, who needed an urgent blood transfusion. When I met the doctor, I asked of the child's welfare and the needs. I was told the transfusion would cost N10,000 for a pint of blood. I offered to pay for it, asked the doctor to write the receipt and gave it to the grandmother. On my way out, I prayed for the child's healing. Few days later I asked about the child's welfare and I was told he's doing well and back to his school. Praise to God for healing and the privilege to be an extension of Christ's love.
